Hello Everyone,

I hope everyone had a very filling Thanksgiving Dinner and you and your families are in good health. My name is Frank Roessner some of you may remember me I was in 1st Division I was given the name "Fast". I helped secure the After Gun Mount Magazine on July 17th. This coming New Year is forty years since that day off the coast of Dong-Hoi. I am the Historian of the Warrington Alumni Organization and we would like to collect the individual memories of that day to put in a future article or a series of articles for our newsletter. If you are willing to do this I have a questionnaire that will be emailed to you in the near future.

Thank You.

Frank

Hello Everyone,

It was 40 years ago today we were off the coast of Dong- Hoi awaiting a scenic tow back to Subic Bay.

Hope everyone and your families are in good health. I won't be seeing you in South Carolina unless we hit oil in our back yard and remember if things were just a little bit different 40 years ago our names might have been on the WALL today! Have fun down there and have a piece of pecan pie and a sweet tea for me!

Personally, I believe all those daily prayers over the 1MC is why we are not on the WALL.

Fair Winds and Following Seas,

Frank Roessner
1st Division USS Warrington.
